Lorena,

Could you please first confirm if there is any streetlight out on 5th St. and provide the nearest address to the pole that is not operating?

Thank you,

Hi Mario,

The street light near the following addresses is out causing our tivoli lights to be out. Can you please submit a request to fix the light near the following addresses?

- 400 W 6th St
- 424 W 6th St
- 448 W 6th St
- 468 W 6th St

All of our lights are out on 5th street too, but I'm not sure whether it's a street light that is out. The outage begins mid-block on Centre Street between 5th and 6th streets.

Thank you for your assistance.

Best regards,
